

THE 49'ER

Nashville Grade School—Primary School Edition

May 2017

NASHVILLE #49 SUPERINTENDENT'S NOTES

By Michael Brink-Nashville C.C.S.D. #49

mbrink@nashville49.org

Nashville Community Consolidated School District #49 would like to congratulate and thank two teachers who will be retiring at the end of this year. Mrs. Bonnie Phillips is a kindergarten teacher and has worked in the district for 31 years. Mrs. Nancy Schmale is a pre-kindergarten teacher and has worked in the district for 28 years. Both of these educators have dedicated their careers to Nashville #49 and to their students. Mrs. Phillips and Mrs. Schmale both served the district in a very professional manner for many years. On behalf of the district, I would like to thank them for their service and wish them the very best in retirement!

We would also like to congratulate and thank the graduates of the Class of 2017. Nashville #49 will be sending 62 students to the high school next year as a result of graduation. The Class of 2017 represented Nashville Middle School in a very positive manner and we hope that all of you have great high school careers. Thank you for all of your hard work during your time here at Nashville #49!

As a reminder, the 2017-2018 school year calendar has been approved and can be found on our web site at www.nashville49.org. Here are a few dates to remember for the summer and the start of the next school year:

July 19	Nashville #49 Student Registration (8:00 AM-6:00 PM)
July 26-28	Nashville Middle School Summer Music Camp
July 27-28	Baseball and Softball Tryouts (8:30 AM-10:30 AM)
August 10	No School-Teacher Institute Day Nashville #49 Open House (4:30 PM-6:30 PM)
August 11	No School-Teacher Institute Day
August 14	First full day of student attendance

Our district's annual Open House is scheduled for Thursday, August 10 from 4:30 PM-6:30 PM. The official class lists for the 2017-2018 school year will be posted at this time. This is also a great opportunity to meet your child's teachers, tour the building, and obtain information about the school and various programs. Additionally, we encourage all families to bring their child's school supplies on this evening. More specific information will be sent out to all families as the start of school gets closer. We hope to see everyone at the Open House in August!

Thank you again for supporting Nashville #49 and all of our programs and activities. I hope that everyone has a great summer break and please contact us here at school throughout the summer if you need anything!

In This Issue

- Kindergarten Pg. 2
- 1st Grade Pg. 3-4
- 2nd Grade Pg. 5-7
- 3rd Grade Pg. 8-11
- 4th Grade Pg. 12-14
- PE Pg. 15
- Lego Club Pg. 16-17
- Blue/White Night Pg. 18

Kindergarten - Mrs. Phillips

My mom is special because ...

She gives me hugs. Autumn Barboza

She goes to work. Alex Bradac

When she says "Good Night" she turns on my T.V. and kisses me. Claire Burgess

She gives me hugs to make me feel good. Degyn Finke

She makes me happy by playing with me. Aayden Gerster

She gives me toys for my birthday. Lily Guinup

She feeds me. Christopher Klasing

She tucks me in at bedtime. Brantley Kozuszek

She plays with me. Sophia Lovin

She asks me every day what I did at school and she tells me she missed me. Harper Moeller

She is very good at soccer. Witten Piasecki

She plays with me. Owen Povolish

She makes my birthday fun. Teagan Reinburg

She lets me ride my dirt bike. Clayton Rich

She kisses me and hugs me and I like it. Elijah Short

She helps me get dressed. Brooklyn Stambaugh

She helps me when I need something. Braylin Storey

She tickles me to help me wake up, and I like it. Conner Timmermann

1st Grade - Mrs. Paszkiewicz

Our Nashville High School Spanish III class came to visit us for Cinco De Mayo. They taught us all about color words, numbers and animals in Spanish. We got to play lots of fun games that helped us to remember them, like Kahoot! The high school students did a great job and our class had lots of fun!

Our first grade class received our 5 caterpillars on April 26th. We have been measuring and observing them. We made charts about what we think we know about caterpillars and butterflies, what we know about caterpillars and butterflies, and what we wonder about caterpillars and butterflies. Take a look at the difference between the first day we got them and the 6th day! They sure grow and change fast!

1st Grade - Mrs. Suedmeyer

On Monday, May 8 the high school Spanish III class came to teach 1st grade some Spanish words. They taught us colors, numbers, and animals in Spanish. We enjoyed having them in our class!

(Below) Mrs. Suedmeyer's class made dinosaur fossils to go with the story "Mr. Bones dinosaur hunter". Which is a biography about Barnum Brown who was the 1st person to discover a full set of T. Rex bones.

2nd Grade - Mrs. Mills

Breakout EDU

Mrs. Klingenberg prepared a "Minecraft" themed Breakout EDU session during her technology class time. Our class broke out in all three groups, which was a first for the Primary School!

2nd Grade - Mrs. Meade

3rd Grade - Mrs. Toennies

Maliah, Alyssa, & Brayden

Ramon, Reed, John, & Wyatt

Gavin, Brody, & Jillian

Chief Connectors

Mrs. Toennies' Language Arts class read the book Thank You, Mr. Falkner. While we read, we each had different roles in literature circles. We had literary luminaries, word wizards, purposeful predictors, illuminating illustrators, and chief connectors. Each group concentrated on different reading skills and then shared.

Meadow, Megan, Frank, & Anessa

Illuminating Illustrators

Grace, Adelie, Kolby, & Sean

Landon, Anna, Austynn, & Dakota

Literary Luminaries

Brynn, Tyse, & Payton

Belle, Ava, & Maddox

Jaylen & Gracie

Hanley, Ashlynn, & Hannah

Purposeful Predictors

Caleb & Byron

Jadyn & Rylan

Isabelle, Aubrey, Caden, Wyatt, Jessica, Baylie, & Tyler

Peyton, Reese, and Katie

Word Wizards

Mrs. Northup's Class had a Seusstastic Week!

Left to Right:

Brayden, Maliah, Izzy, Grace,
Meadow, Aubrey, Anessa,
Jessica, Alyssa, Jaylen,
Frank, Megan, Bailey,
Wyatte & Tyler.

PJ Day

Front: Jessica, Meadow & Alyssa

Front: Jaylen, Grace & Jessica Back: Aubrey, Brade

Back: Baylie, Izzy, Grace, Megan, Maliah & Aubrey. Baylie, Caden, Meadow, Megn, Anessa & Alyssa.

3rd Grade - Mrs. Niedbalski

Terry Wyciskalla is a soil scientist/specialist who works with farmers in our community to help them grow better crops in their fields. He used to work for Southern Illinois University, Carbondale as a soil scientist, but is now a soil consultant that owns and operates his own business. He came in and talked to the 3rd grade about what soil is and the importance of soil conservation. This went along with our Earth Science Unit. The kids got to look at different soil types, rocks, minerals, and even insects that he studies and watches for in his work. He also talked about what he does in his job and showed the kids how he uses a drone, iPad and 4-wheeler. He showed the kids how he graphs field information from his drone in farmers fields to show how he can tell what the field needs to grow better plants.

Very interesting!

4th Grade - Field Trip

Vandalia State House

Copyright Homemade-Preschool.com

Ms. Sabo's class picture with Abraham Lincoln at the Vandalia State House.

We visited an old church turned into a museum and saw all kinds of things from Abraham Lincoln's time.

Lainey smells the candles that were made of animal fat that they used in the Vandalia State House.

Jack shows us a silver coin from the State House Treasury.

Mrs. Mitchell's class is next to the Lincoln statue in front of the old State House in Vandalia.

Dayonna and Dakota inside the Fayette County Museum.

Brance and Declan pose for a picture outside of the House of Representatives in the old State House.

4th Grade - Breakout EDU

Fourth Grade classes participated in a "Magnet" themed Breakout EDU challenge. Each class was separated into 3 teams, which were given specific tasks to complete with a variety of resources in order to unlock answers to solve the challenge.

FRIDAY PHYSICAL EDUCATION RUN

4th, 6th & 8th Grade Physical Education – Coach Finke

The 4th, 6th and 8th grade Physical Education classes have been running every two Fridays out of three, since the beginning of school. Students run for a period of 9 minutes and try to accumulate as many laps as possible during that time. Students receive a token for every 5 miles they complete individually. The students have been doing a great job each week. Below is the total number of laps and miles each of these classes have accomplished for the year.

4th – 20,470 Laps / 1,077.4 Miles

6th – 20,637 Laps / 1,086.2 Miles

8th – 20,524 Laps / 1,080.2 Miles

Great Job Students!

Top Friday Runners

Boys:

Evan Eberhart - 606

Seldon Kozuszek - 591

Trey Reinburg - 585

Rylan Hammer - 576

Kade Sturgill - 561

Andrew Windler - 554

Aidan Heiman - 550

Grant Sturgill - 523

Girls:

Daci Finke - 561

Whitley Hunter - 526

Korbi Rhine - 520

Janisha Bailey - 516

Ashlyn Frazier - 513

Sailor Gutzler - 513

Hope Liszewski - 485

Angel Meyer - 471

FRIDAY PHYSICAL EDUCATION RUN

K-3rd, 5th, & 7th Grade Physical Education – Mrs. Crusier

Fourth Quarter News

It's been a busy end of the school year! Many memories were made throughout this year. Some of the best were during our Family Participation Day. The students and I enjoyed our family visitors. We hope you had as much fun as we did! Another great day we recently had was our P.E. Running Rewards Day. The students had a great time jumping on and going through inflatable obstacles. To see the fun, videos have been posted to our website. Thank you PSO for helping make this day possible!
