

## NASHVILLE #49 SUPERINTENDENT'S UPDATES

By: Michael Brink - Nashville #49 Superintendent

[mbrink@nashville49.org](mailto:mbrink@nashville49.org)

It is hard to believe that Christmas break is here already! As a reminder, the final attendance day for Nashville #49 students prior to the break is Friday, December 21. The first day that students will be back in session after the break is scheduled for Monday, January 7.

We have been pretty fortunate with the mild weather throughout November and December, but inclement weather will soon be here. As a reminder, Nashville #49 will post all school cancellations on Channels 2, 4, and 5. Additionally, any cancellation will be announced on local radio station WNSV 104.7 and a School Messenger call will be made to all families. We will make every effort not to dismiss early from school after kids are already present. If weather conditions deteriorate quickly and we need to dismiss early, a School Messenger call will be made immediately. Please call me if you have questions regarding our weather cancellation procedures.

Nashville #49 adopted the annual Certificate of Tax Levy on December 20 at the regular Board of Education meeting. Since the district's levy was below 5 %, a Truth in Taxation Hearing was not held. Informational documents related to the adoption of the 2018 tax levy will be posted on our web site at [www.nashville49.org](http://www.nashville49.org) under the "Nashville #49 Documents" tab.

Please remember to visit our web site regularly at [www.nashville49.org](http://www.nashville49.org) to get updates and reminders pertaining to Nashville #49. Additionally, please feel free to contact us here at school if we can be of assistance to you.

I hope that everyone has a very Merry Christmas!

# Halloween Parade

Happy Halloween

Spooky

# Halloween Parade

# Kindergarten - Mrs. Howard

Mrs. Howard's class had an Ag in the Classroom presentation about Christmas Trees. They learned how a Christmas tree grows and how to recycle the tree. After learning about Christmas trees, they made a tree ornament to hang on their Christmas tree at home.

Mrs. Howard's Kindergarten had a blast during their Christmas Fun Day! They made a reindeer cookie for snack, reindeer food for Santa's reindeer, wrapped their gift for their parents, and made a Christmas tree hat!

# Kindergarten - Mrs. Schnitker

Mrs. Schnitker's class participated in a Christmas Fun Day. With the support of many parents and families, the students rotated throughout different stations. They made reindeer food, decorated a reindeer cookie, created a Christmas tree hat, made a candy cane bead ornament and wrapped their parent's Christmas presents. The students loved all the activities and had a great time interacting with their friends.

# 1st Grade - Mrs. Bartling

## Santa Letters

Dear Santa,  
Do you like milk? For Christmas I would like a Nintendo switch and a video game.

How do your reindeer fly? Can you please bring me a toy four-wheeler and a remote control helicopter (since my one from last year broke)? I will leave you some milk and cookies. Thanks for bringing me my remote control helicopter last year.  
Love,  
Kooper

# 2nd Grade - Mrs. Meade

Second Graders learned about Native Americans and Pilgrims in November, and had the option of making a Native American Home to share with the class.

# 3GW Friendship Day 2018

## Classmate Surveys

## Friendship Mix

## Living Venn Diagrams

# 3rd Grade - Mrs. Toennies

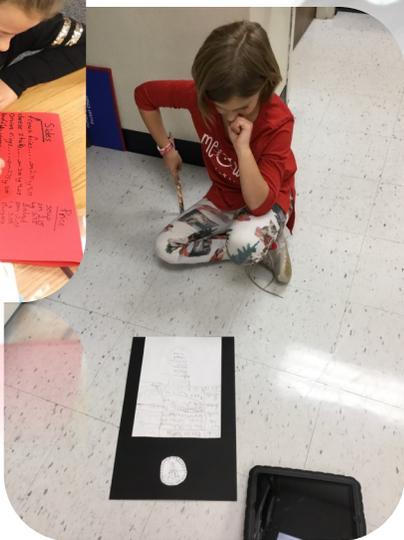

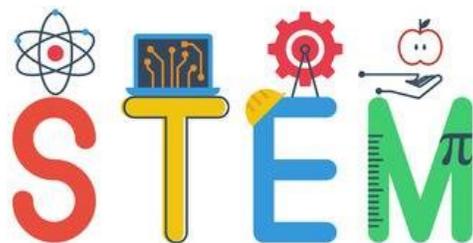

Mrs. Toennies' Class celebrated Friendship Day by sharing their favorite fun foods to make a friendship mix. They also enjoyed making bracelets, playing games, and dancing. The students loved spending time with their friends.

# Creative Cats Club

In **October**, participants used measuring and mixing skills to make dirt cake!

In **November** and **December**, students began four different activities on rotation. One rotation was different trivia from many genres. The second rotation was building a logo, menu, and marketing strategy for a new restaurant. A third rotation was working on coding and using bee robots to get from point A to point B. And the last rotation worked on teamwork skills in building a shelter for a family out of many different materials in hopes they survive the torrential rains (of the water faucet). We are having tons of fun working together and using many parts of our brains!

# FRIDAY PHYSICAL EDUCATION RUN

4th, 6th & 8th Grade Physical Education – Coach Finke

The 4th, 6th and 8th grade Physical Education classes have been running every two Fridays out of three, since the beginning of school. Students run for a period of 9 minutes and try to accumulate as many laps as possible during that time. Students receive a token for every 5 miles they complete individually. The students have been doing a great job each week. Below is the total number of laps and miles each of these classes have accomplished for the year.

4th – 9,900 Laps / 521.1 Miles

6th – 9,072 Laps / 477.5 Miles

8th – 9,966 Laps / 524.5 Miles

Great Job Students!

## PHYSICAL EDUCATION MILEAGE CLUB

Physical Education – Mrs. Cruser

Happy Holidays! As most of us have been busy getting ready for the holiday season, we have also been busy working in the gym.

The younger students learned about two main fitness and healthy living concepts. We celebrated the month of November by learning about the food groups. They did a great job remembering the groups and categorizing their foods. We then moved onto the Five Components of Fitness. The students learned about the components through a song and different activities. We will finish up the year using teamwork and being creative using P.E. equipment to build snowmen!

For my older students, we focused on team games and basketball skills. The second and third grade classes learned basic basketball terms and concepts. In the fifth and seventh grade classes, the students participated in a shootout.

# 1st Grade - Feast

In November, the first grade classes had their Thanksgiving feast. In the morning, they made many Thanksgiving crafts with the help of some great volunteers. In the afternoon, they feasted on an assortment of food. It was a great time had by all!

Happy Thanksgiving 

# 4th Grade - Feast

In November, the fourth grade had a day of feasting while celebrating Thanksgiving! They were able to dress like a Pilgrim or Native American. Once the decorating for the feast was finished, they gathered in the Fine Arts Room where they ate together just as the Pilgrims and Native Americans did! A fun day was had by all! Thanks to all of the volunteers who helped to make this day possible!

# 4th Grade - Feast

# Christmas Program

The Primary School students and Mrs. Niedbalski put on a wonderful production of "Christmas is for Kids".

Students worked hard to learn their songs. Thank you to all who contributed to this heartwarming performance!

**Merry Christmas!**
