

Nashville District #49

New Enrollment Information

Welcome to Nashville District #49, home of the Jr. Hornets and Jr. Hornettes!!

Before enrolling in our school, residency must be proven to show you live within our district.

The In-District Residency Form must be filled out and turned in along with one item from Category I and two (2) items from Category II.

Once these items have been turned in and approved by the school office, enrollment paperwork will be given for the parent/guardian to complete to enroll your child to Nashville #49.

Families of children in PreK should contact the school about enrollment as there is currently a waiting list for our PreK classes.
